Jun 9, 2026

Gianfranco Mileo

has successfully completed the online Specialization

Google Data-Driven Decision Making

Individuals who earn the Google Data-Driven Decision Making Specialization have completed courses that include videos, assessments, and hands-on projects. They gained practical experience in validating and cleaning data, detecting bias and applying ethical practices using spreadsheets for analysis, and leveraging generative AI tools to accelerate insights and presentations. They are competent in data analysis, visualization, and data-driven decision-making.
