has successfully completed the online Professional Certificate

# Microsoft Program Management

Now that you have completed the Microsoft Program Manager Professional Certificate, you stand out with a unique set of skills and knowledge in the dynamic field of program management. This certificate demonstrates your job readiness and can be shared with your professional network. Throughout this program, you've engaged with instructional videos, assessments, and practical exercises, gaining a deep understanding of key aspects of program management, including:

- Coordinating project managers with their teams through all phases of a successful program.
- Using predictive, agile, and hybrid approaches and tailored methodologies to determine which way of working is best for each program.
- Highlighting the success of a program and its impact on overall strategic organizational goals.

Microsoft

This certificate attests to the learner's completion of an online program delivered via Coursera. It does not constitute formal enrollment at any university or entity and does not itself grant academic credit, grades, or a degree. Institutions or organizations may, at their discretion, recognize this learning toward their own programs or credentials.
